OUR RAINBOW

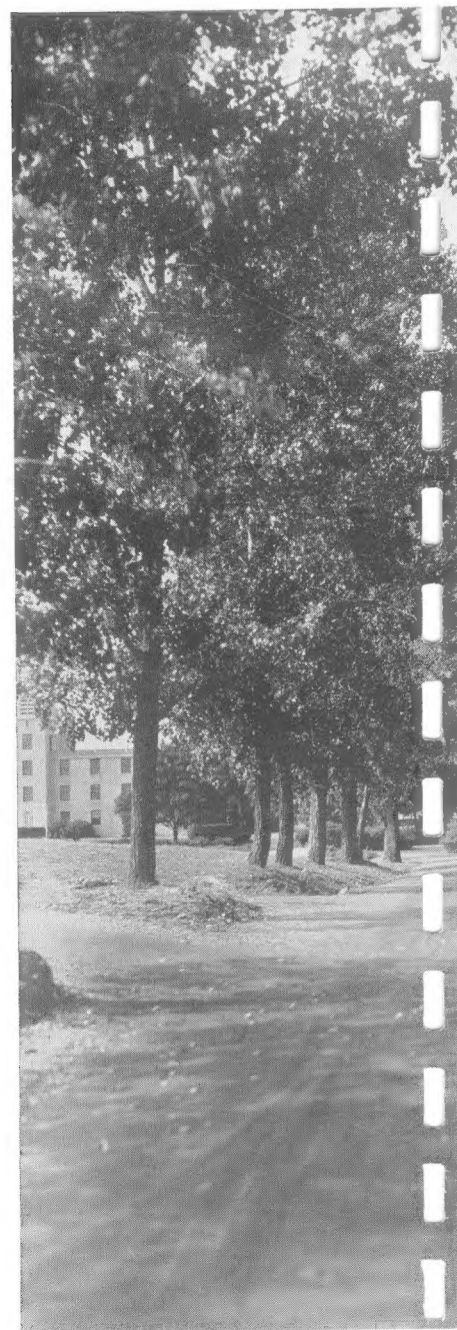

This term's like a rainbow
That lingers in the sky,
And longer grows the bow
As each day passes by.
Dearer than pots of gold
Is the reward we'll find
Before the last is o'er
And the school is left behind.
Pleasures so sweet and fair
Riches could never lend
As the joy we'll find
At our bow's glowing end.

Winter at length is gone—
Those days that passed so slow;
The hills are bright with grass,

AND ITS END

Where once they gleamed with snow.
Throughout the long, cold days
We dreamed of far off spring,
Of our last days toge'er
And the sweet joys they bring.
They've been our gleaming goal,
When hooks cease to offend—
These days that end it all—
Our rainbow and its end.

"Old Men" long for finals
When all their toils are o'er;
The "Rats" fondest dream is
To be a rat no more.
The dogs will bark with glee
When the last drum has beat—

They'll have to howl no more
 When bugles blow retreat.
 "Old Men," "Rats," and dogs have
 Dreamings that sweetly blend;
 They long for finals' joys—
 Our rainbow and its end.

Feelings ineffable
 These sweet dreamings bestir,
 But they're naught as is felt
 When the "last rites" occur.
 There'll be plenty o' mirth
 When finals roll around,
 But, for each happy laugh,
 There will be a tear found.
 There'll be those in our midst

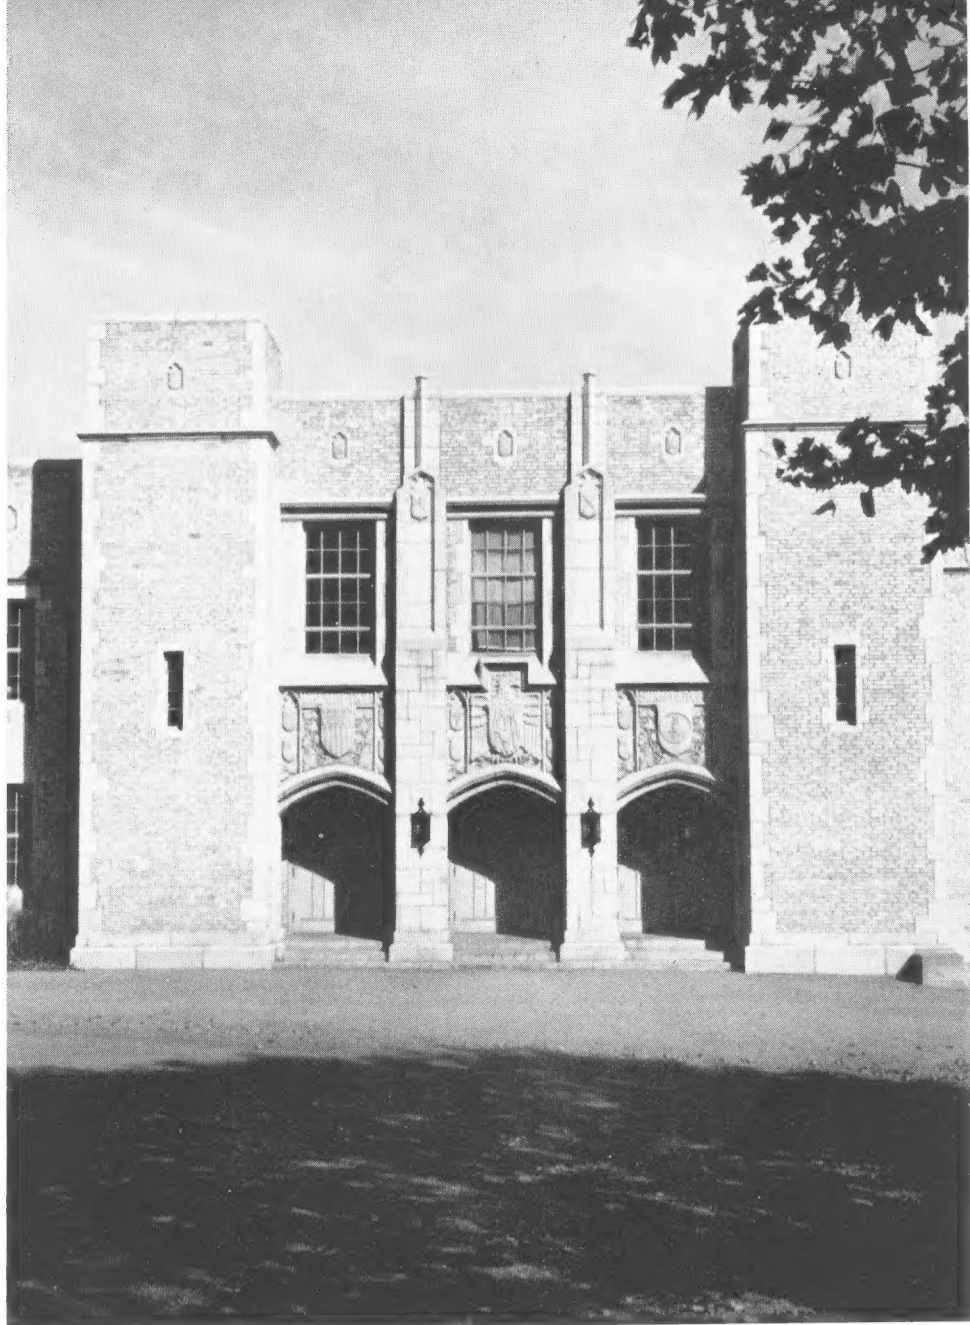

ROLLER FAMILY

When we part—friend with friend—
 Who'll leave us fore'er at
 Our rainbow's glowing end.

They mean a lot to us,
 Those boys who won't return;
 We'll try to show them that
 Before we all adjourn
 It's hard to say good-bye
 To those who won't be back,
 But, till that last sad word,
 Nothing for them shall lack.
 Before they part from us,
 On different trails to wend,
 We'll show our love for them
 At their last rainbow's End.

HOMESTEAD

MEMORIAL GYMNASIUM

“Bear It With Pride”

In these times, when fortunes court,
In these days of fame,
Every man must “strut his stuff”,
Must have a “high-brow” name,

A “Trumpeter,” in days of yore,
A “Bugler” then was he,
“Musician” to his cadet friends,
These times demand all three.

Just take today ; a rear-rank man,
A “Private” in the mass ;
The Social world hails him by
A “Private—First Class”.

Now, look again, a “Corporal” proud,
To every man a foe,
They’ve even dared to boost his name,
They called him—“ N. C. O.”

But what is worse, a “Platoon Guide”,
Now surely that sounds fine !
Has changed his name to sound like this,
A “Sergeant-Of-The-Line.”

“Lieutenant” is not grand enough,
His name’s been altered too,
He used to be just plain old “First,”
But now he’s “Senior Lieu.”

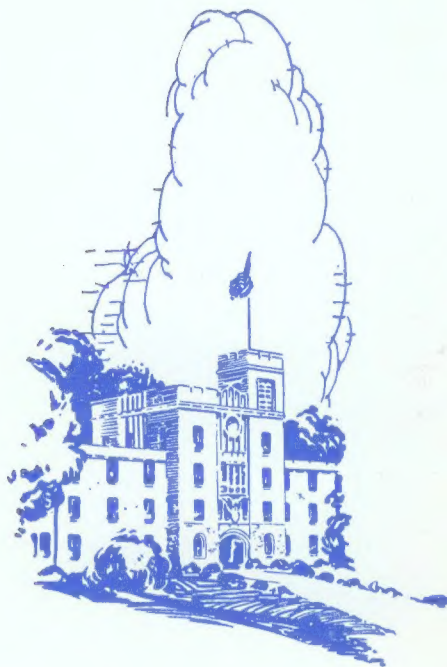

“The Captain,” Sir : was the “Old Man”
To all his organization,
He’s “Company Commander” now,
They’ve changed his appellation.

But there’s one name, bear it with pride,
‘Twill never change, don’t fret,
The most high-sounding name of all,
The “A. M. A. Cadet.”

Major H. B. McCrum

Dedication

To a gentleman of high talent,
foresight, and humility
we dedicate the 1951 RECALL

In every way Major H. B. McCrum
typifies these attributes.

His love for Augusta and his interest
in every cadet is attested not only
in the classroom—where he is the mas-
ter teacher beloved by all cadets—but
also in the uniform room, in his guard
details and in study hall where he
exhibits a degree of patience unexcell-
ed and a desire to aid all beyond equal.

Foreword

Our days within these gates have been full of deep meanings. The Augusta Men of the past have been our inspiration. Our comrades today have been our joy. Together we have played and worked; side by side we have marched, each day, each year toward fulfillment. In this book is the record of those days so that—

When Time who steals our years away
Shall steal our pleasures, too,
The memory of the past will stay
And half our joys renew.

—Thos. Moore.

Our Principal

COLONEL CHARLES S. ROLLER, JR.

Affectionately known far and wide as the "Big Boy", our principal, Col. Charles S. Roller, Jr. has carried on the famous traditions of his family by further advancing Augusta until it now commands high respect as an educational institution that ranks among the best preparatory schools in the Eastern part of the United States.

"WHITE

Col. Roller as co-owner of the only privately owned military school in the United States has demonstrated time and again that his principle of "making a boy rather than breaking a boy" pays huge dividends in the development of the youth of our nation who have been intrusted to his care.

This personal influence helps to make Augusta the "better" school that has made it and its principal well known and admired throughout the breadth of the land.

Whenever a cadet needs advice or counsel, he knows that he has only to turn to the "Big Boy" and there he finds his true friend and counselor ready to lend an ear and to give that wise advice that has come only through his long association with youth.

He has grown younger with each succeeding generation and this fact alone has endeared him to student, faculty member and the community. May the good Lord grant him many, many years more to continue this school the wonderful place it has been for over two hundred years.

Adviser To The Principal

MRS. JANET S. ROLLER

Mrs. Janet Stephenson Roller, as co-owner and adviser to the Principal, has in her quiet way added both to her lustre and that of her husband in administering to the needs of the school.

Upon her shoulders has fallen many a task that would have caused the average individual to shudder with the responsibilities that are thrust upon her. Efficiently and with courage she meets every task set before her and "well done" is the verdict of all after the task has been completed.

Her presence at the many functions of the Academy—social, athletic, military, etc.—instills in all of us to do our good job just a bit better if for no other reason than to just please her and the "Big Boy".

We have grown to love her more and more with each passing year. Our dances would not be the same if she were not there to grace them with her presence. The same goes for our athletic contests, all of which she follows with as much eagerness as does the "Big Boy".

To her we owe a deep sense of gratitude and debt for the good job she does in taking care and looking after the health and welfare of our "Big Boy". We honor her with our respect and love. We salute her with our prayers and hope for the life everlasting that she with her husband may continue to carry Augusta on and on to higher and higher lofts of academic advancement.

"ON THE HILL"

ACADEMIC BUILDING

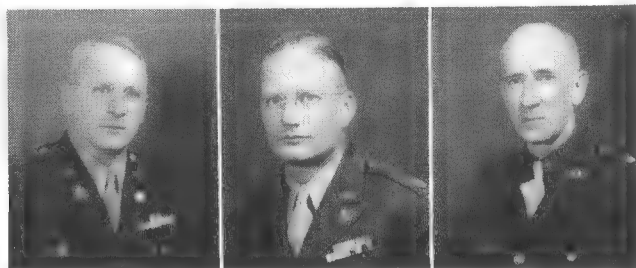

Academic Board

Undoubtedly the most important faculty unit at Augusta is the Academic Board which guides the destinies of both the school and the future of all cadets. This important unit consists of eight members of the faculty.

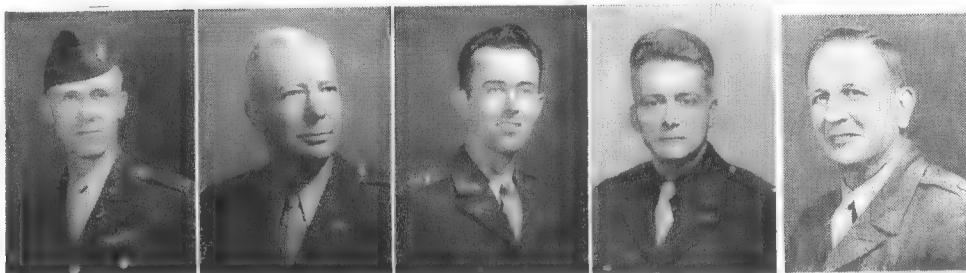

These gentlemen give freely of their time to both set the standards by which the school has kept abreast of modern times as well as to wisely counsel the cadets in all of their needs whether they be of an academic nature or a personal one. Their timely advice has many a times set a cadet on the right path to happiness and success.

The Chairman of the Board is Lt. Col. Herbert D. Deane who is also Headmaster of the Academy. Lt. Col. J. C. McCue, Jr. is vice-chairman of this academic unit as well as assistant to the Principal. Major Paul V. Hoover is Secretary and the other members of the board are: Major H. B. McCrum, Lt. Col. W. L. Gardner, Major F. M. Sizer, Captain J. D. Kramer, Captain Robert S. Hart.

To them we say "Thanks" for the wise counsel you have given us through our stay at Augusta.

Mathematics

Although his time is well occupied with his many duties as the head of the Academy, he nevertheless has time to teach his favorite subject—math—and it is due to his efforts as well as his personal interest that our cadets enter college life well prepared in the fundamentals of math.

LT. COL. HERBERT D. DEANE, B.S.

English

Col. Deane is one of the few men whose sharp retorts and pleasant joking is enjoyed by all his students. Besides being wholeheartedly interested in the academic program of each cadet, Col. Deane is a real advisor to each boy.

LT. COL. J. CYRUS McCUE, JR., B.S., M.S.

Physics-Mathematics

Few teachers have the complete respect that Col. McCue commands of his students. Excellent teacher that he is, his students always bring honor to Augusta. Col. McCue can always be counted on to be around the baseball diamond in the Spring.

MAJOR PAUL V. HOOVER, A.B., M.A.

Mathematics-Spanish

Here, there and everywhere is Major Hoover who has exerted more influence over a larger number of students probably than anyone at A. M. A. The Y.M.C.A., Wrestling, Tiger Football, Fencing, LaCrosse, The Yearbook, and the Bayonet would be lost without him. Major Paul also finds time to be a friend to each cadet and to be a fine teacher.

Debating-Beta Club

After taking a course in English under Capt. Hart, one can say truthfully that he has been put through a thorough and intensive course of instruction which pays dividends in college. A top man to instruct and advise would-be as well as the experienced presenter of arguments—pro or con. A true friend to all.

CAPT. OSCAR A. DAVIS, B.S.

History

Most history classes are hard, but not at AMA with Capt. Davis as the teacher. His classes in every phase of world history can be expected every now and then to turn to Big Business, politics, and Pittsburgh, subjects dear to his heart. Capt. Davis not only excels in the classroom, but also in "J" Barracks as a friend to each boy in every way.

MRS. GLADYS R. DAVIS, A.B.

Seventh Grade

The ideal lady to teach our Juniors as she has patience, energy, ability and a rare sense of humor and justness. The little cadets adore her both as a teacher and as one to whom they can carry their troubles and expect help in their solutions.

CAPT. J. D. KRAMER, B.A.

Coach Junior Athletics

You know that you have been through a "course" after taking math under this top-notch experienced instructor. The success of his students in college attest to his ability. A patient and thorough coach of Jayvee athletic teams—especially basketball and baseball in which he excels.

CAPT. GLENN KOOGLER, B.A.

English

Few men are as soft spoken, easy going and as well liked by everyone as is Capt. Koogler. His classes are always requested by cadets who admire his crack methods and hard work. Add to this the fact that he is always on the baseball diamond in the spring or helping the Athletic Association.

LT. COL. W. LEONARD GARDNER, B.A.

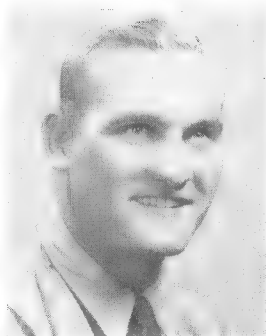

French and Plane Geometry

Col. Gardner is a real southern gentleman of the old school who stresses academics at every turn. His French students are tops in the State and his Plane Geometry classes are appreciated by all his students. A finer gentleman would be hard to find.

CAPT. HERBERT W. LUCUS

Every afternoon after drill you may always find Capt. Lucus in his classroom working with his students. In the fall and in the spring you can find him working with the Junior Athletic teams. Many a boy will attest that he knows his Spanish and all the subjects he teaches as this work with these classes shows the highest results.

LT. SAM S. WALES

Assistant Commandant

Always on the job—you see him whether it is 6:00 A.M. or 7: P.M. looking out for the best interests of the school and each individual cadet. Patient with the administration of our discipline and just in every case. A more serious individual or a better friend cannot be found.

CAPT. JOHN A. FARROW

MAJOR F. M. SIZER, B.A.

History-English-German

Augusta stresses individual attention and Major Sizer can be depended on to help any and all cadets every afternoon of the week and also in the evening. Teaching a variety of subjects from the 8th grade English to German, Major Sizer is one of the hardest workers at the Academy.

LT. CLINTON BALES, B.A.

Latin-English

Latin and English are Lt. Bales' classroom specialties, but outside Lt. Bales can be seen in one of a dozen places— on the football field, in the swimming pool, on the tennis court, or helping out with basketball. Sharp wit, a ready smile and an interesting person in every way.

MAJOR JOHN A. McWATTERS

Tactical Department

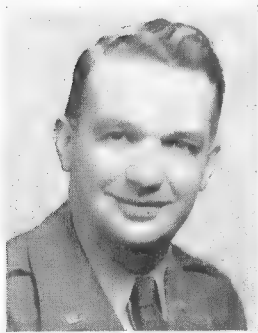

We cadets have been very fortunate to be under the Military guidance of Major John A. McWatters, who has been the Professor of Military Science and Tactics for the past two years. He has endeared himself to us in many ways, such as being present at all athletic and social events and sponsoring many others on the time allotted to the military phase of Cadet life.

Captain Raymond J. Baiz, Assistant P.M.S.&T., who came to us from Alaska Training Center, Fairbanks, Alaska, and Ft. Geo. Meade, Md., has fast become a familiar figure to the cadets on the drill field. He has an intense interest in all activities engaged in and staged by the cadets. Captain Baiz came to us as a Lieutenant, but he achieved a promotion through his initiative and energy.

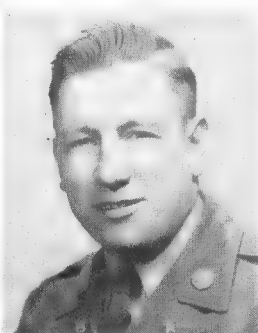

Sergeant First Class Joseph A. Rice was assigned to duty here on June 22, 1950, from the Baltimore Signal Depot. Although he left us on January 23, 1951, to resume his wartime rank of Captain, he will never be forgotten by the members of the Rifle team that he coached with such intense personal interest.

Staff Sergeant John H. Conrad arrived here on July 7, 1950, from the Armored School, Ft. Knox, Ky., and has become a favorite of the cadets here. He has also been indispensable in the production of this yearbook.

Sergeant Paul H. Bratton came to us on September 10, 1949, from Ft. Geo. Meade, and our perfectly renovated armory is a result of the application of his efforts. He is a graduate of A.M.A.

PHILLIP C. PELLAND

Battalion Commander

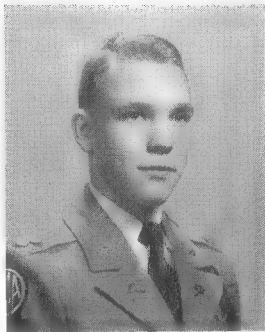

Phil Pelland has achieved in four short years the peak in military perfection through consistent behavior and impeccable dress. He is undoubtedly one of the best-liked boys who has ever attended Augusta. His honesty and high ideals are qualities sought after by all the other cadets who know him. He has received high awards every year for military achievement, has been a member of the Roller Rifles for two years. He is a dependable scholar, and it is the firm belief of all that his future is as bright as his personality. Phil is an outstanding combination of leader, friend, and statesman, and has personally been responsible for the success of many of his fellow cadets. Their faith in him was exhibited by his election as President of the Student Body, which position he served with typical faith and integrity.

Frank Pilley has headed the Battalion Staff this year as Adjutant. To the uninitiated outsider, this may seem a singularly simple post, mainly honorary. This job truthfully requires more personal skill and ability than any other here. Frank has become an indispensable aide to the Commandant's office, and has been a truly outstanding scholar despite all this added work. This cadet epitomizes the power of concentration, and has become a symbol of the result of true determination.

"A" COMPANY

Military precision describes Roger Messick who is acting captain of "A" Co. While only a third year cadet he has won the admiration of the entire corps by his steadfast devotion to duty. This admiration is held also by the military personnel and faculty alike. Likeable, witty, serious when the occasion demands, his military carriage commands respect at first glance. An average student, a top winner at breaststroke on the natators of Augusta and an outstanding lacrosse player—all of which add up to the reason why he was selected for this honor.

"B" COMPANY

Cadet Ben Angle is undoubtedly the only "true" captain in the real sense of the word. To him the development and discipline of his company and his school is foremost in his mind. Devotion to duty is his daily deed of good for his beloved school. Impartiality, a rare quality in any individual, is strongly apparent in him and to all those with whom he comes in contact. Academically an excellent student only surpassed by his splendid military accomplishments. Under him "B" Company has advanced farther than it would have under any other cadet.

"C" COMPANY

Cadet Paul K. Long, a quiet, resourceful Northerner, is climaxing seven years here as the Captain of Company "C". His fine personal traits are reflected in the discipline and precision of the crack unit that he has headed during the past year.

"D" COMPANY

Jack Hodge, small in stature but large in results, has had one of the least sought-after Captaincies. As head of "D" Company, he has played nursemaid for the smallest boys in school. Jack's perseverance and ability to hold the attention of these small-fry have made miracles commonplace. He is one of the finest and most patient boys who have ever attended Augusta, and all of us have profited by knowing this easygoing and mild-mannered young man.

"HEADQUARTERS" COMPANY

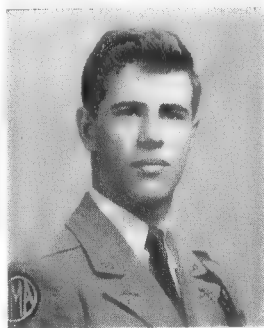

The cadet with the hardest job at Augusta is Bud Harwood, who, as Captain of Headquarters Company, has fulfilled all expectations. He has used his brilliant personality to the greatest advantage in creating the high company spirit that is typical of this unit. Bud will always be remembered for his sense of humor and his ever-present desire to help his fellow cadet.

"THE BAND"

Mentally endowed, athletically developed to a high degree of perfection, Cadet Roger T. Brooke exemplifies all that is expected of a company commander. His stalwart and imposing figure graced many a successful parade. At first glance at this popular cadet makes one look further with interest and one is not disappointed. Best known as a successful captain both in the Band but equally in wrestling and lacrosse where his presence brought many a sweet victory.

Highlights of the Traditional Game

A crowd with mixed emotions streamed off the field following the game as is shown in this picture. Though blankets are in evidence, they were not needed until late in the game when the temperature dropped. A clear sky prevailed for the contest. The happy AMA play-

ers, dressed in blue and white, are talking to friends and parents. In the inset Fishburne cadets unroll a sign in a query to AMA following the Fishburne score. There was no verbal answer from the Augusta side until late in the game.

Varsity Football

Early in first quarter Jones, VMI halfback, set the pace for victory by running 67 yards for the first tally. Despite the valiant efforts of the AMA defense, Nuttycombe scored again by carrying the pigskin for seventy yards to paydirt.

Augusta came back in the second quarter when Herkle, AMA alert halfback, intercepted a VMI pass and ran it back into scoring position where he passed to Cunningham for the score.

In the second half VMI again scored twice and added a safety to make it 29-7 VMI.

In the second game Augusta battled a heavier and more experienced Washington and Lee Junior Varsity Eleven on even terms for three quarters and then wilted rapidly and went down to a 26-13 upset.

Using weight to good advantage W-L earned first down after first down to put the ball in scoring position when Davidson tallied twice from our nine yard and one yard marker respectively. O'Neil and Johnson scored from relatively the same positions.

Bobby Joe Moser, AMA fullback and Bob Camel scored from the four and six yard markers. Lafferty made one of the two tries for extra points.

The Hampden-Sydney Junior Varsity sparked by their game little quarterback, Dean Lester, scored another upset by edging Augusta 21-20. Vince Cialini, Bob Camel and Leon Cunningham were top AMA performers.

Cialini started the fireworks by recovering a H-S fumble and then on the next play going around end for a score. A quarter later Cialini again scored when he ran a H-S punt back 80 yards for a td with Bob Lafferty converting for the extra point.

In the second quarter Tom Penick stopped Ralph Parker (AMA) behind his own goalline for the first H-S score. On the kickoff Garst took the ball to the AMA 16 yd. stripe where Lester scored. Later again when H-S got possession of the ball they marched for another tally and the extra point.

Each team scored again but the safety gave the collegians the margin of victory.

A surprising and scrappy blue and white eleven gave the heavily favored Fork Union the scare of their lives for three periods before yielding to superior depth in manpower by the score 32-7.

It was Augusta all the way for three quarters with AMA leading 7-0 until waning minutes of the third quarter when Augusta fumbled the ball on their own twelve yard stripe with Fork Union recovering and three plays later Bob Reiley went over and Bob Sgro converting to tie the score.

Manpower told in the final quarter when injuries forced key blue and white men to the sidelines and the result that Fork Union scored four times again to win the game. Augusta used but seventeen men to their opponents thirty-three in the game.

BOB CAMEL TAKES FUMA FOR RIDE

Bob Camel being stopped by two Fork Union tacklers after making a nice gain.—No. 26 is Cunningham, man on ground is Werezinski, No. 21 is Co-Capt. Bobby Joe Moser. Fork Union tackles are Joe Genst and Tom Falker.

The Virginia Polytechnic Institute Freshman eleven kept their slate clean as they did the entire season by trimming Augusta 26-7.

Earl Howell and Hunter Swink, VPI stars, lived up to their reputation by scoring two apiece while Jim Fleenor kicked two extra points. Backed up by superior blocking on the part of their teammates they seemed to score at will.

Augusta came to life in the final quarter and starting on their 25 yard marker and making a sustained drive to VPI's twenty-nine where Bob Camel passed to Leon Cunningham who scampered the remaining distance for the score. Bob Lafferty kicked the extra point.

Chattanooga, Tenn., was the scene of Augusta's first win when Vince Cialini ran wild to chalk up four touchdowns—three of them in the final quarter—with the final score being 21 for Notre Dame Prep and 35 for Augusta.

Ralph Parker scored the other tally, the first one on a three yard buck. Bob Lafferty kicked all of his team's five extra points.

Cialini ran 73 yards through the whole Irish team, returned a punt 47 yards, catch a five yard pass and bucked for two yards and all for tds.

Joe Zimmerman and Greg Bradley spelled disaster for Augusta when they consistently broke loose for long gains as Greenbrier downed AMA 30 to 13.

Augusta's tricky passing formations clicked for long gains in the third quarter when Herkle passed to Cialini who romped 74 yards to score and when Herkle passed to Cialini who lateralled to Pierson who went fifty yards before being stopped on GMS' twenty. Then Herkle passed again to Cunningham for the tally.

Greenbrier's scores also came through long runs equalling those of Augusta.

The Blue and White eleven pounded out a workmanlike victory over a completely out-classed Massanutten eleven by the score of 19-6. Despite numerous penalties Augusta scored twice in the opening half on two beautifully executed plays—the first from quarterback Jack Herkle to End Leon Cunningham for eight yards, and the second from Herkle to Herm Matthes on a play covering forty yards. Cunningham intercepted a Massanutten pass in the final period and ran eighty yards for the last good tally. Augusta held Massanutten twice when it had first downs on the AMA one yard line—once in the first period and again in the third. Massanutten scored in the waning minutes of the game when the AMA subs were in the lineup.

In the final game of the season against their ancient rivals, Augusta yielded the first touchdown to Fishburne and an easy extra point, only to come back with a rush and score four to win the final game ever to be played between these two schools.

Bob Camel, AMA, was the big gun of the game when he notched up most of the yardage in a contest that was hard fought throughout the entire game. Thompson and Cenegy for FMS were constant thorns in the side of the winners.

Jack Herkle scored for Augusta and FMS led 7-6 at end of the first half.

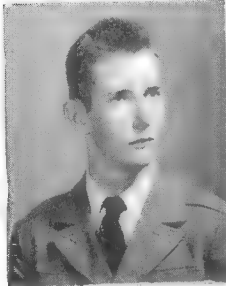

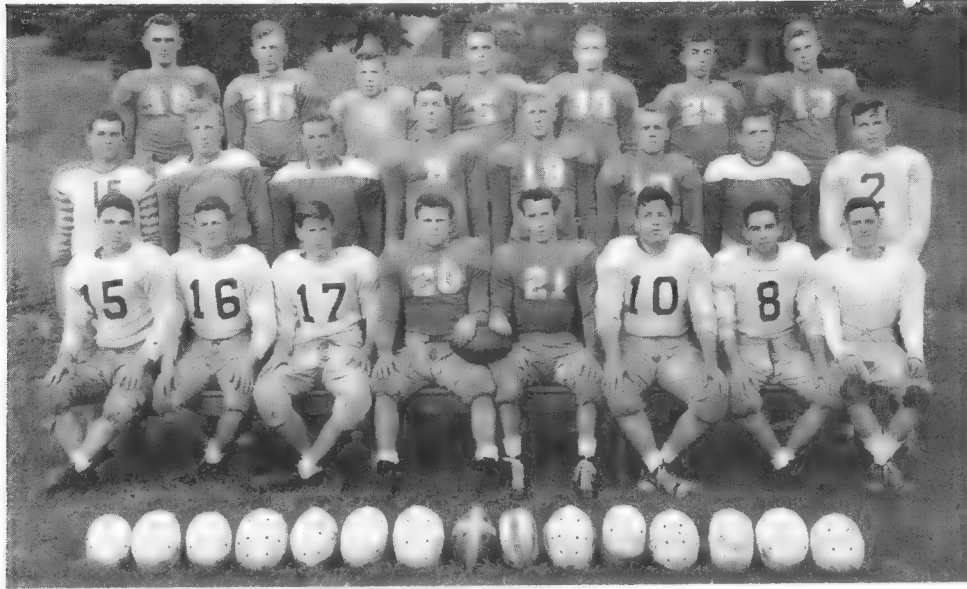

Cialini took a pitchout from Herkle and passed to Moser who took the ball away from three FMS defenders to score.

Camel zigzagged back and forth for forty yards to score again. Lafferty made his only conversion after this score.

In the final minutes of play Herkle passed to Cunningham—the pass only being completed through the efforts of an eager FMS defender who nicely tipped the ball directly into the hands of Cunningham who continued on for the score.

The 1951 season was probably the greatest in recent years of the Tiger Football team history.

In the opening game with Harrisonburg Earl Suthard scored early in the first quarter. HHS came back and through a fumble on the part of Augusta scored their only tally of the game. Both attempts for conversions went wide of their mark.

After fumbling again on the HHS one yard stripe, Ben Lindsey took the punt and ran thirty yards for the second score. In the waning minutes of the final period Ben Lindsey intercepted a HHS pass and through excellent blocking ran the ball for a td which was called back after the official ruled that he had stepped out of bounds.

The next game saw Augusta give a seven point lead to Fishburne and then come back to win 18-7. FMS capitalized on an AMA fumble deep in the blue territory and scored. Shortly thereafter after Jack Bowers ran the kickoff back to his forty, Sid Taylor went forty yards for a tally.

Upon receiving a FMS punt, Ben Lindsey ran it back for forty yards and a score. In the final period Zagame passed to Steve Anderson for fifteen yards and the final tally.

Lee High put up a game but losing fight against the superior and heavier Augusta Tigers and went down to defeat 39 to 0. Taylor and Bowers went around end for long runs and scores in the first period. Lindsey ran back a punt fifty yards for a score while Zagame went on a quarterback sneak for another td. Rosen intercepted a pass and scored while Collins snared a pass for another.

In their only defeat of the season with the VSDB Varsity, Augusta made but one mistake and that a costly one when they permitted their opponents round once within the AMA twenty yard stripe. The most thrilling part of the game came in the final minutes when Zagame standing on his own ten heaved a long pass to Tull who took it on the midfield stripe and ran it to the VSDB ten yard stripe. Again as the first half had ended with the ball in striking distance time ran out and AMA lost an opportunity to tie and possibly win the game.

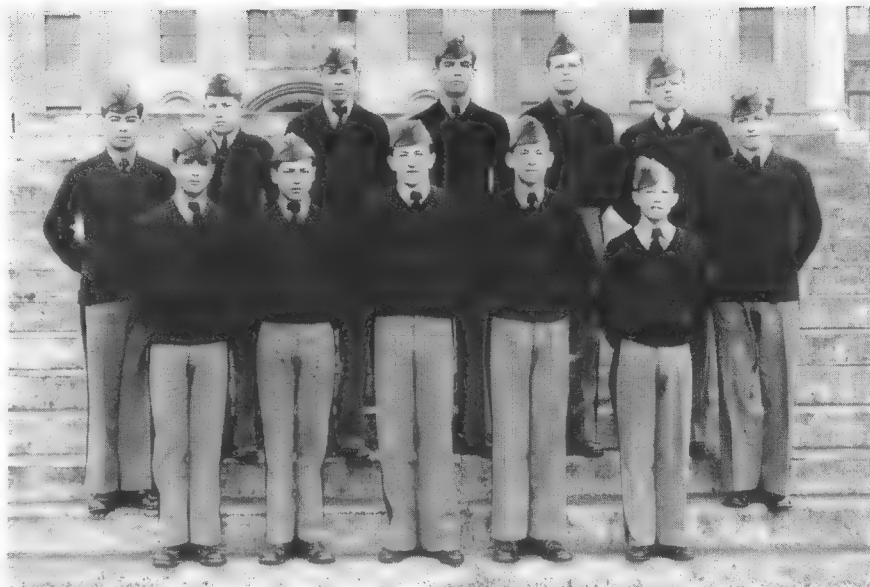

In the final game of the season Fishburne came back for revenge only to be stopped 20-6. Zagame calling his best game of the season sent Pelland off tackle for the first score. Again in the second period Zagame passed to Collins for another td and Lindsey going around end for the extra point. Zagame again passed to Pelland in the third period for another score with Bonney making the extra point.

The Peeps reign of being undefeated for three straight seasons came to an end this year when Miller School came through and did what no other school had been able to do.

In the opening game of the season Augusta found easy pickins in the undefeated Massanutten Junior Eleven and ran away with an impressive 20-6 victory. Woody Rosen getting hurt in this game put his teammates in a precarious position in later games. Rosen scored twice on end runs and passed to Bob Seates for the third tally while Jim Mahames and Ken Hoke made the extra points. In the final minutes of the game Massanutten managed to score their single td.

In the second game of the season Johnny Cake, diminutive halfback for the blue and white

Peeps brought the stands to their feet when he carried the ball to MS' one foot stripe. On the next play Augusta fumbled the ball and Miller School saved themselves a score. Hard defensive rushing on the part of the Peeps prevented the Miller School offense to make any headway. Injuries to key men and absence of Rosen prevented Augusta from making any further capitalizing gains for a score.

In the final game Miller School quickly scored two touchdowns on long passes over the heads of the Peep defensive backfield to lead 13-0 at end of the half. In the third period Abe Dabney passed a fifty yard pass to Johnny Collins who scored easily. Johnny Cake made the extra point around end.

The Saradine Football Eleven played its first game in recent years with the strong Staunton Boys' Club—champion touch football team in the Staunton News-Leader—YMCA Tournament League. The final score was 19 to 13 in favor of Staunton.

Johnny Cake starred for the Blue and White's midgets by making his team's two touchdowns and one extra point. Dick Smith, Staunton, starred for his team by making all three touchdowns.

Augusta, on a series of quick plays, took the ball to SBC's twenty yard stripe where Staunton intercepted a pass and took over. Then with a drive that ended with Smith going over.

Augusta came back quickly and Cake went around end for a tally. In the third quarter Staunton came back and scored twice, once on an end run and another on a pass.

Augusta came back into the fight and Cake again going the distance for the final score.

Out of seventeen games played, Augusta lost the first and the last to the same team, the strong University of Virginia Frosh. Between these two games the Blue and White courtmen met and defeated fifteen of the best teams in the state to clinch without any question the State Championship.

A check of the individual scoring record of each of the first five team members reveals that all worked together to make the championship possible. Without any doubt Lt. Jerry Claiborne, the coach, showed that he can take average basketball players and with his inimitable method of coaching develop them into first class basketball players of championship caliber. Thus an ordinary team with Jerry Claiborne as coach became the best team and champions of the state.

The Varsity Basketball Team Won Third Place in the Glenn Falls (N. Y.) Invitational Tournament held in March, 1951. Of the Seven Trophies Awarded, Augusta Won Five.

AMA enjoyed another fine fencing season despite the fact that the losses outnumbered the wins.

Sending a six man team instead of the regulation one of nine men, Augusta spotted West Point nine points before the match began and still garnered ten points to their opponents 17.

Against the Navy Plebes Augusta put up a strong showing and even though they were edged in three saber bouts by poor judging on the part of our inexperienced swordsmen, the team scored nine points and won the foil weapon.

Against the University of Virginia Augusta showed that it had a good team by taking both the epee and foil weapon only to lose out in the saber with but one man to be able to compete in this weapon with any degree of precision.

Against the John Hopkins Freshman team, AMA came to its pinnacle of success and completely outclassed its opponents in all three weapons winning the foil 7-2; the epee 8 to 1 and the saber 8 to 1. In this meet every man on the squad saw action.

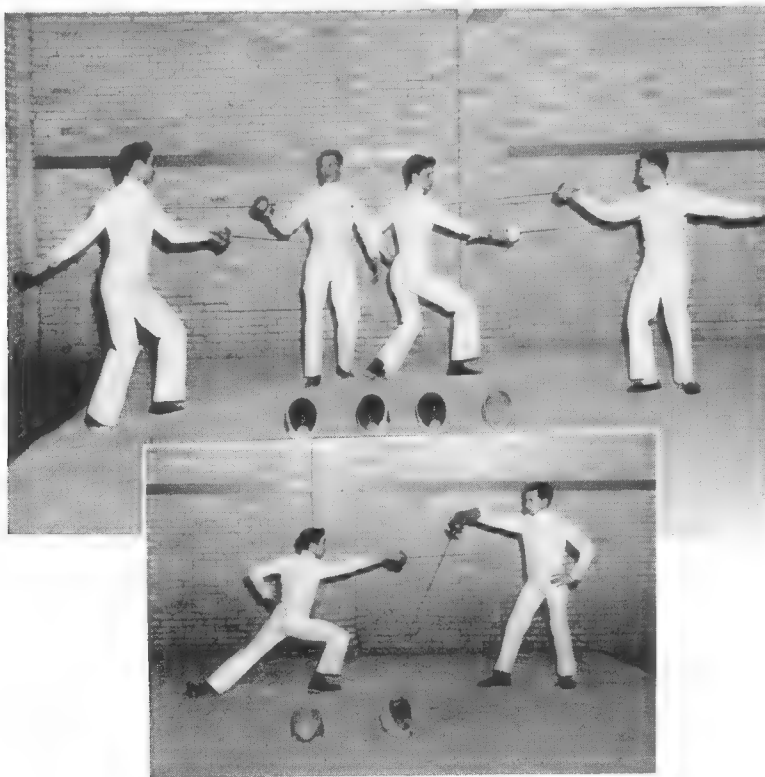

Buddy Rudolph was the only cadet to end the season undefeated in all of his matches.

Against the Naval Academy Plebes Buddy Rudolph won two and Otto Cuervo one of their foil bouts. In the epee Augusta showed its strength when Tommy Hughes, won two bouts, Steve Anderson and Phil Thomas each won one. In the saber Hank Harris won our only two points.

In the first meet with West Point we showed a much improved fencing outfit. In the foil Rudolph won three, Gardner and Cuervo each won one bout. In the Epee Hughes and Anderson each won one bout. In the saber Parnell won two and Rudolph one bout.

Against our traditional rivals—the University of Virginia—Rudolph won two bouts as did Gardner and one by Cuervo in the foil weapon. In the epee Tommy Hughes won all three of his bouts with Anderson and Thomas winning one apiece. In the saber Bill Parnell showed his superiority by winning all three of his bouts—one of which included a win over the Virginia man who defeated a Navy Varsity Saberman.

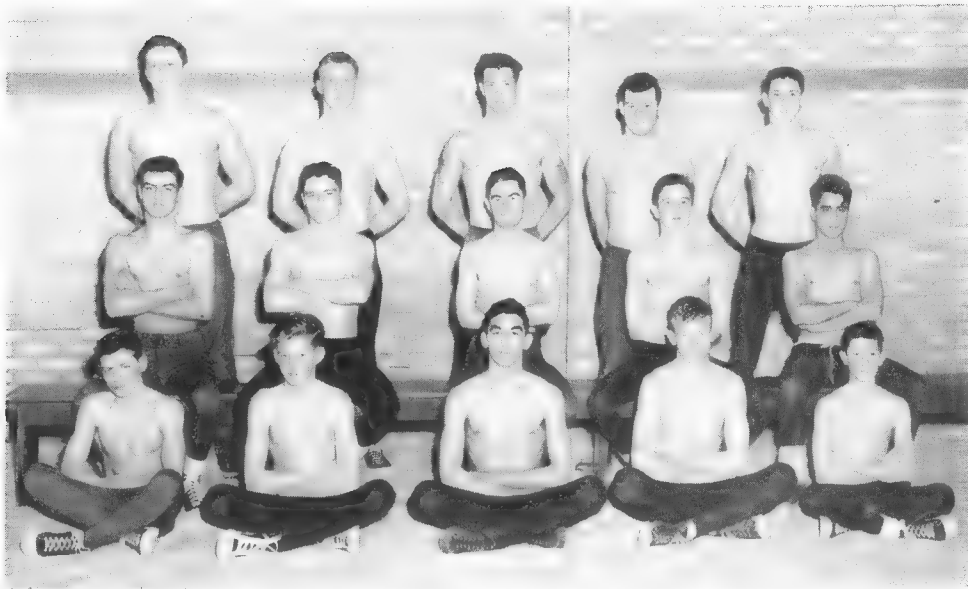

Against John Hopkins Frosh in the foil Rudolph won two, Cuervo, Gardner, Allman, Saunders, Munding winning one apiece to sweep this weapon. In the epee Hughes and Thomas won three of their bouts while Anderson won two. In the saber Parnell won two, Cockrell two, Deal one, while the others were forfeited.

Augusta 7th in State Tournament out of 13 entries.			

Despite a wide margin of losses over the number of wins, the Blue and White grapplers had an excellent season. It was necessary to yield three to four bouts every match as no experience was available in these four weights. Thus with such factors considered the success was apparent.

Beginning with a small squad of twelve, the season ended with a squad of forty and a Jayvee team which saw action with a win over the Waynesboro YMCA Club. In addition a full team in all weights from the 96 lb. class to heavyweight will return next fall.

with but four entries among thirteen schools emerged in seventh place with Peyton Moore taking second in the 96 lb. class, Archie Crawford decisioning Bud Reynold of Woodberry Forest for third place in the 121 lb. class and Ken Day and Ty Joliffe winning fourth place in the 155 and 165 lb. divisions.

Against the University of Virginia Frosh, Don Odenwaelder was the only one to win points and that by a decision.

Coming back strong AMA defeated Virginia Tech Frosh. Crawford decisioned Hicks; Varner drew with Church; Suthard decisioned Elton; Day threw Jones; Brooke decisioned Grizzard while Odenwaelder threw Gardner.

Washington-Lee Frosh turned the tables but Crawford, Day, Brooke decisioned their opponents and Core had a draw. In this match Odenwaelder lost his only bout of the season.

West Virginia School for Deaf and Blind edged Augusta although AMA took five bouts to their opponents three. Crawford threw his man; Joliffe, Day and Brooke won decisions in their weight classes.

Woodberry Forest defeated Augusta in a closely contested match. Crawford, Brooke decisioned WBF captain; Odenwalder threw his man.

Meeting their traditional opponents, VSDB, in a single match, Augusta pulled the meet out of the fire after trailing 16-3 to come up and win the last three matches for a victory. Crawford was the lone bright light in all classes from 112 thru 147 with his win until Joliffe, Day, Brooke came through with decisions and to have Odenwaelder climax the meet with his throwing Chapman for the victory. This was the second time in two years that Augusta had to come from behind to win the meet.

In the return meet with Washington-Lee Frosh each team won four bouts but W-L won one by a fall which gave them the match. Crawford, Day Brooke and Odenwaelder came through with four decisions to almost defeat their opponents.

Undoubtedly the 1951 Rifle team of Augusta will go down as the best of all times as more honors were won by this team than any previous shooting outfit. Victories over Staunton Military Academy, Fishburne Military School and Woodberry Forest were sweet to all followers of this sport. Seldom if ever have victories over these three schools come in the same year.

Cheer Leaders

This year the corps has been led in cheering by five capable cadets who put all of their heart and soul into their work. There have been a lot of great teams this year to cheer for and the corps stood behind them. This has been one of Augusta's greatest years in sports and their winning was due to a great extent to the support of the cadets. This would not have been possible if our cheerleaders were of the usual type. A cheerleader has to do many things other than lead cheers—decorate the goal posts and many other little items that the average individual does not realize. Archie Crawford was head cheerleader, ably assisted by Steve Anderson, Jack Bowers, Hut'e Frear and Bill Ragland. This was also one of the first years that a new cadet was given the privilege of being a regular cheerleader and he more than lived up to the expectations.

Night

The night is love, the night is long
And to each singer of a song
The night is full of lonely bowers
In which to while away the hours.

The Greeks have their mythology
The astrologers their astrology
But we mere men have something better
The night, our song and love to fetter.

Great men live, and still they die
And when they rise up to the sky
The earth is peaceful down below
For troubles not through darkness show

We live and learn, wise men have said
And ere I lay down upon my bed
My eyes wander to that darkened field
And hope for secrets soon revealed

O night, whose wings are spanned
What mind, or hand, this world hath planned
To place us so very far below
To search and grovel, just to know

My life I'll spend in deep lament
For great minds whose souls are spent
I pray to Thee for just one glimpse
Of what, to them, was such compense

There is one name for opaquest glass
Those darkest hours through which we pass
The day that blinds us with its light
For better things are revealed by night.

OFFICERS SESSION 1950-1951

<i>President</i>	PHIL PELLAND
<i>Vice-President</i>	BILL PARNELL
<i>Secretary</i>	BUD HARWOOD
<i>Treasurer</i>	ROGER BROOKE
<i>Sergeant-at-Arms</i>	PAUL K. LONG

The five officers of the student body who were elected this year are the custodians of the highest responsibilities that can be bestowed upon a cadet. It is now, as it has been in the past, their duty to represent the corps in all matters pertaining to the welfare of the school. They must take the best interest of the corps to heart, and this is often a difficult and thankless job. As the strong link between cadets and the faculty much is owed them for the fair and impartial job that they have carried out to completion.

Facing front—Gene Wright, Major H. B. McCrum (Defense Counsel), Phil Pelland, Bud Harwood, Harold Folk, Bill Ault, Roger Brooke, Frank Pilley, Buddy Rudolph, Ben Lindsey, Sam Quillen.

With backs to camera—Woody Rosen, Peyton Moore, Bill Parnell.

Honor Committee

Well worthy the confidence of all members of the cadet corps are the members of the Honor Committee. A seat on this committee is second only to that of an office in the student body officers. Not only do they meet as a judicial body, but they also help the officers of the student body in formulating the student policy.

The officers of the student body automatically become the head officers of the honor committee. Thus Phil Pelland, Bill Parnell, Bud Harwood, Roger Brooke and Paul Long hold two positions of trust.

Those representing the fourth year class in addition to the head officers are: Buddy Rudolph and Frank Pilley; the representatives of the third year men are: Rudy Gill, Bill Ault, Sam Quillen, Roger Messick and Herm Matthes; those speaking for the second year men are: Peyton Moore, Ben Lindsey, Ed Quillen and Harold Folk, the new cadet who speaks for the new cadets although he has no official vote is Woody Rosen.

Chosen for a high position of trust all of the above men have proved by their actions that the faith placed in them by their fellow cadets has not been misplaced. When faced with serious matters of great import, wisely have they come to a fair and impartial decision without bias or prejudice.

Major H. B. McCrum is the faculty member who usually acts as defense counsel in cases of a serious nature which require an "honor" trial.

Ad Astra Per Aspera

Founder
Col. Charles S. Roller, Jr.

To be elected to this honorary fraternity is the highest honor that can come to a member of the cadet corps. He need not be a member of the Senior Class although a canvas of the annual selections usually brings out the fact that it is generally a senior who becomes a recipient of this greatest of all honors.

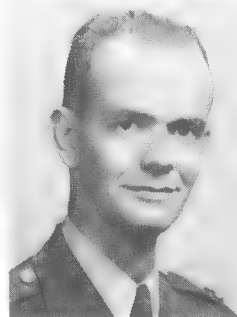

The fraternity is now in its twenty-sixth year of its existence having been founded in 1925 by our principal, Col. Charles S. Roller, Jr. A check of the two hundred and fifty members who have been elected to this society reveals that this honor usually follows them with success in their future life. Men of all walks of life look back upon this honor as their beginning of real success in life.

"The motto "Ad Astra Per Aspera" comes from the Latin and is translated "To the Stars Through Difficulties". The cadets receiving this award must have lived up to this motto as it implies simply our best.

The oldest members in service of the faculty vote just before Finals for the best and most outstanding cadets. The ten cadets receiving the highest number of votes are honored with the coveted pins on graduation day.

In addition to the founder, Lt. Col. J. C. McCue and Sgt. Paul Bratton are members of the society. Lt. Sam S. Wales, Lt. Col. H. D. Deane and Major Paul V. Hoover are honorary members. The only cadet in this year's corps to belong was Edmund C. Glover.

Young Men's Christian Association

One of the most distinctive features of the Y. M. C. A. is the fact that it is according to Bob Ripley, the "oldest Y. M. C. A." in the world.

It is an outgrowth of the weekly Sunday Bible Class begun by the wife of Prof. C. S. Roller, Mrs. Belle Roller who would invite the students of the early Augusta Academy to her home for an hour's devotion of inspiration and prayer. Later on after she had passed on to her reward, her son, the late Col. Thomas J. Roller, carried on the idea begun by his mother and it grew with the years into its present state of strong influence in the spiritual life of the cadets of this school.

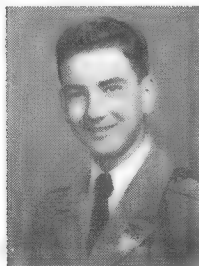

Meetings are held weekly and many outstanding and prominent speakers in all walks of life appear on the programs which are varied to keep up the interest.

The Lynchburg Orphanage and Queenie Miller's Orphanage in Staunton are but a few of the many places which are actively supported by the Augusta Y. M. C. A.

Featured programs throughout the year include those at Christmas, Easter Sun Rise Service, Mother's Day—all of which attract interest and inspiration.

Annually the Y. M. C. A. is represented at the Natural Bridge Preparatory Y. M. C. A. Conference which is held at Virginia's Wonder of the World. It is not uncommon for a cadet to be elected an officer in this organization.

Much of the credit and success of the organization is due to the active interest of its director, Major Paul V. Hoover and its adviser, Mrs. Warren S. Robinson who give freely of this time to further advance this important cadet activity.

"Wrong Words", Theme of Father Eagan YMCA Talk

The theme of the talk given by Father Eagan at the YMCA was "Wrong Words". The speaker discussed the importance of using correct language and the impact of words on society. He emphasized that words have the power to build up or tear down, and that it is essential to choose words carefully. The talk was well-received by the audience, and Father Eagan's message was clearly understood.

New Cadets Enter At New Semester

The new semester has begun at the Augusta Military Academy, and a large number of new cadets have entered. The new students are being welcomed by the faculty and the existing cadets. The academy is proud to have such a large number of new students, and it is confident that they will all be successful in their studies and in their military training.

Dick Young's Parents Honor Roller Rifles

Dick Young's parents have honored him with a special award for his excellence in roller rifle shooting. Dick has been a member of the school's roller rifle team for several years, and he has consistently been one of the top shooters. His parents are proud of his achievements and are happy to see him being recognized for his skills.

Barn Dance Fetes Cadets and Dates

A barn dance was held at the Augusta Military Academy to entertain the cadets and their dates. The event was a great success, with many students enjoying the music and dancing. The barn dance was a fun and festive occasion, and it provided a good opportunity for the cadets to relax and have some fun.

Newman The Magician Thrills Cadets With Feats of Lezerdermain

Newman, the magician, performed a series of amazing feats of legerdemain for the cadets. His performance was highly entertaining, and the cadets were all impressed by his skills. Newman's magic show was a highlight of the evening, and it was a great treat for everyone who attended.

The quality of books in each class is high. The books are well-organized and easy to find. The students are all very interested in reading, and they are all working hard to improve their reading skills. The teachers are also very interested in the students' reading, and they are providing them with a lot of help and support.

THE ABOVE PICTURE shows a student who has been recognized for his excellent work. He is a young man with dark hair, wearing a dark jacket over a light-colored shirt. He is smiling and looking towards the camera.

The Recall For 1951

Few individuals realize the scope of the work that the publishing of a year-book entails. There are so many numerous items that go into the production of such a book that the average person would not and could not believe the proportions of such an enterprise. Selling books, soliciting advertisements is only a small portion of the task.

Making the dummy, the write-ups, the photography, etc., are but a few of the many items and tasks necessary for a first class annual. The few who actually do the work have only their personal satisfaction on a job well done to pay them for the many extra hours they have to spend. Their work is recognized nationally and statewide when they are awarded First Place Honors as they won in the contest conducted by the National Scholastic Press Association at the University of Minnesota. High Honors were also won in the S. I. P. A. contest conducted by the Southern Inter-Scholastic Press Association at Washington and Lee University. Such honors made the staff feel that they had done a good job.

The 1950 RECALL won first place honors in National Scholastic Press Association, of University of Minnesota.

The Staff of the 1951 RECALL feels that such a good book would not have been possible without the careful supervision and endless energy of their Faculty Adviser, Major Paul V. Hoover, who after all is said and done is the real power behind the annual for he was the guiding and driving force that made the book possible and a reality.

The Bayonet

The *Bayonet* was founded just at the turn of the century and was published regularly until 1932 when the paper ceased publication for five years. In 1937 it started anew and in a different format. Again in 1941 it was reorganized and further changed and improved to keep up with the times.

However, the real change in the *Bayonet*, came in 1947 when it came into its present appearance. Since it has been the aim of every succeeding staff to improve on the previous year's outstanding accomplishment.

It is an active member of the National Scholastic Press Association, the Southern Inter-Scholastic Press Association, the Quill and Scroll Society.

The 1951 *Bayonet* won first place honors at S. I. P. A.—Southern Inter-scholastic Press Association and at N. S. P. A.—National Scholastic Press Association.

With the coming year it is hoped to establish an active Chapter of the Quill and Scroll Society.

Major Paul V. Hoover, the adviser, is responsible for the many and up to date new features that have been added to the *Bayonet* in the past seven years.

Beta Club

THE ROLLER HONOR SOCIETY

In existence at Augusta but for a short period of a few years, the Beta Club has quietly advanced since its inception. It is an organization of cadets with high character, good minds and high morals.

A meeting place was provided by the school and regular sessions were held and conducted by parliamentary procedure. Bills were presented, discussed, and voted upon, adding much to the general knowledge of the members.

The officers of the club for the past year were: Bill Ault, President; Peyton Moore, Vice-President; Jack Goldstein, Secretary; and Bob Stivers as Treasurer.

Other members in addition to the officers were: Ben Angle, Bill Ault, Roger Brooke, Harold Folk, Brian Gardner, Jack Goldstein, Paul Long, Peyton Moore, Frank Pilley, Bill Ragland, Robert Stivers, Julius Willoughby. Capt. Robert S. Hart was the faculty advisor.

Whit Sessions, Gatewood Sibley, Rev. J. H. McBryde, Rick Zagame, Jack Bowers, Ednie Ward.
With backs to camera—Sam Metro, Ed. Armbruster, Bill Firebaugh, Julius Willoughby.

Bible Class

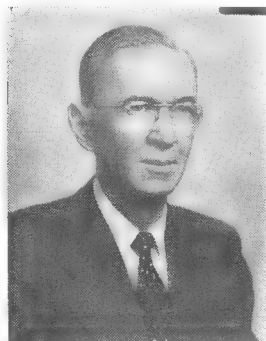

The Bible Class was begun quite a number of years ago with the principal purpose of teaching the cadets more about the greatest book in all history—the Bible. The class is composed of volunteer students who have an earnest desire to learn something about the Bible.

The class meets under the guidance of Rev. John H. McBryde, pastor of the Old Stone Church. He deserves much and sincere thanks from every member of the class; for he was instrumental in giving a great deal to each member.

Rev. McBryde made every class very interesting by assigning various questions to each member for discussion at different intervals. Then the entire class would join in discussions and sometimes arguments would arise. This is very beneficial as it enabled each boy to voice his opinions and ideas concerning the subject under discussion, thus helping not only the boy but the entire group.

The officers of the class for the past session were: Jack Bowers as President; Rick Zagame as vice-president; and Alex Wattay as Secretary.

Capt. Herbert W. Lucas acted as assistant to Rev. McBryde and his interest and energy proved to be a much needed asset.

The Roller Rifles

This is the fifth year of the functioning of the Roller Rifles, the crack drill platoon of Augusta. It is an honorary platoon made up of the most military and best-drilled cadets in the school for show and competitive purposes. The platoon was organized to perpetuate the memory of the late Lieutenant Charles S. Roller III, and has as its honorary commander, Colonel C. S. Roller, Jr. The honorary vice-commander is Miss Linda Moorman Roller, daughter of Lt. Roller. The organization was founded by Capt. George E. Michael, assistant commandant at Augusta two years ago. The faculty adviser this year was Sergeant Paul H. Bratton.

To become a member of this group you must be approved by the other members of the group, the Professor of Military Science and Tactics, and by the Honorary Commander. This has grown to be the highest rank of military recognition at the Academy.

Several times during the year the drill unit was invited to exhibit their prowess, which they did with great distinction.

The officers of the Roller Rifles for the past year were: Captain, Phil Pelland; Lieutenant, Paul Long; Platoon Sergeant, Jack Hodge; Platoon Guide, Bud Harwood; Squad Leaders, Frank Pilley, Ed Glover, Dave Duffey; Guidon Bearer, Cole Sandridge.

On Commencement Day of this year for the first time a Trophy—Dick Young Trophy—will be presented to the captain of the Roller Rifles. This trophy was inaugurated this year by the parents of Dick Young (Captain Roller Rifles session 1949-50) Mr. and Mrs. B. F. Young.

Spanish Club

The newest as well as the youngest organization on the Academy campus is the Spanish Club. The club was primarily begun to further and better the relations of the Spanish-American boys at Augusta. Its aims have been more than realized since its beginning early in the year.

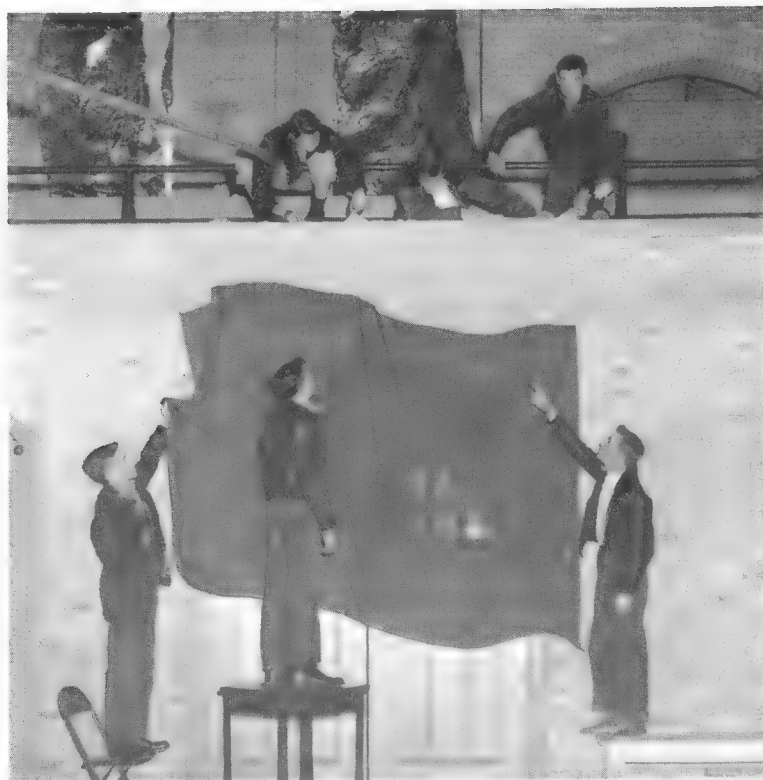

One rule of the club is that all Spanish boys speak English while the American boys speak Spanish. For an American boy to be elected to this unique unit, he has to be voted in by the entire group of Spanish students and approved of by the club adviser. In addition he has to exhibit an active and sincere interest in our Spanish boys and their problems and a will to help them in every way possible.

Meetings are held regularly under the club officers which include Otto Cuervo as president; Manuel Balbis as vice-president; Jack Goldstein as Secretary and John Santalo the treasurer.

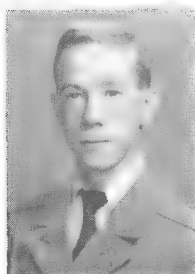

As a memorial to the late Capt. Alfredo Arnaldo y Bras, the club voted to award annually to the best Spanish speaking student who best typifies all that is inherent in our South American neighbors.

The club adviser, Major Paul V. Hoover is instrumental and helpful in having the club advance as one of the most promising activities at Augusta this year.

Decorating Committee

One of the unheralded and unhonored organizations at Augusta is the little publicized Decorating Committee. Long hours of work without any mention of reward and even less hope for any, is the outlook for a fine group of cadets who make our dances the success they are. To transform the gymnasium into a castle, a skyscraper, a cabaret, a forest, a home at Christmas is just another job to be done as far as the decorating committee is concerned. The job is carefully scrutinized and work is begun after careful plans are made. The result a work of art that everyone admires but appreciates little for they do not realize the work and preparation necessary.

Under the excellent direction of Dan Yellott the committee strived to outdo itself at every dance. He had as his loyal assistants: Jack Hodge, Rod Willey, Bill Saunders, Page Sanders, Paul Long, Bill Parnell, Roger Messick, Ed Quillen, Hank Harris and Barney Cockrell.

Capt. C. E. Savedge was adviser to the Cotillion Club and the Decorating Committee and his assistance proved very valuable in added that extra touch which helped each dance immeasurably.

Traditional Figure Formation at Final Ball

Finals

All is bathed in golden splendor as the moon shined thru the trees
Each shadowy twig bends gently—kissed by the cool summer breeze
Faint music drifts through the night from the gym where dancers sway;
Sentinels walk languidly by waiting for the break of day.
Cars are parked where e'er they can squeeze; Our parents and girls are here
We've showed them what we've learnd to do and at length the end is near
Lonely shadows and cozy nooks hide many a love struck pair ;—
While others walk on moonlit paths and joy is everywhere
Tomorrow we'll leave each other,—sad tears will drown our glee
But tonight is our night of dreams—Fairyland for you and me!

An Open Letter

Gentlemen:

Seldom does anyone find a group as cooperative, honest, sincere and friendly as this group has been.

Cadet Herm Matthes and Ben Angle have done fine jobs as co-presidents. Each dance Ben could be depended upon to get numerous dates while "Pop" gave assistance in each and every direction.

Cadet Paul Long not only did a fine job as Vice-President but put his all into the decorating committee as Chairman. Each staple was always accounted for under his directions.

Seldom has the school had a finer treasurer than Jack Hodge who knew where every penny of money went. During 1950-51 tickets to dances were successfully started.

Bill Parnell as secretary helped each

Herm Matthes, Bill Parnell, Ben Angle, Jack Hodge

dance—particularly at square dances with the pigs, goats, cows and chickens with which the girls were greeted.

The decorating committee could not have accomplished anything without Dan Yellott, Cole Sandridge, Roger Messick, Bob Lowenback, Leroy Bowman, Jack Hodge, Bill Saunders, Sam and Ed Quillen, Rod Willey, Herm Matthes (here, too), Bill Ragland and Ed King.

I guess we will always remember the trouble we had with paper at openings; the beautiful tree and the soap we used at Christmas, the Flag-bedecked Mid-Winters, our country square dance and our unusual Pin-Up Queen Dance.

I thank each one of you with all my heart and I wish each of you could be back next year.

Sincerely,

Lt. C. E. Savedge

The Final Ball

Past the fifty year mark, the 1951 Final Ball attempted to live up to the first fifty and to go further. Under the burden of the first ball to be held during an emergency, the 51st Final Ball will be long remembered.

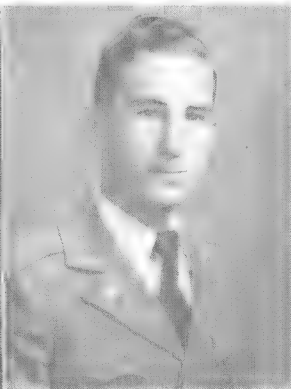

Cadet Bill Parnell had strived throughout his high school career to make Augusta's social program tops among prep schools. Lt. C. E. Savedge directed the figure again and the figure reflected the change to a semi-war status with salutes to the Army, Navy and the Air Force in the form of large letters made by all members of the figure. The favors were just what our dates wanted—costume jewelry.

The decorations were under the direction of Paul Long who did a superlative job of changing the Memorial Gymnasium into a ball room of purple, green and gold. Cadets Ragland, Saunders W. L., Matthes, Yellott, Willey, Messick and Sandridge formed the nucleus of the decorating committee for the Final Ball.

Class Prophecy

Time—1976 and the Place—the AMA Campus where the annual Finals is getting under way. The crowd this year is much larger as one of the largest graduating classes on record will go out into the world to seek further education or to begin earning their living.

Augusta has become the leading educational institution in the country and probably the world. In the past twenty-five years quite a large expansion both from the educational as well as the building program has gone on. The Junior school now boasts of two hundred cadets and twenty-five full time instructors. The upper school has an enrollment of about four hundred and fifty while the Junior and Senior College take care of six hundred students.

Col. Roller is still quite active in all school affairs and teaches his College Algebra class both to the Junior College and also the College Freshmen. When not attending to school duties "Big Boy" tours the country on speaking engagements as he is in great demand due to the rapid and almost unheard of development of his school.

The P. M. S. and T. is none other than Ben Angle who after a brilliant career in World War III chose to follow the Army as his life's career. His brother, "Pete", is in the Air Corps where he is in charge of the Super-Super-Super Jetts which have attained a speed of 1500 miles per hour.

Carlos Arias is back to visit his Alma Mater. He is only past living president of the Republic of Panama.

Bill Ault is highest ranking Rear Admiral in the United States Navy. Roger Brooke is coach of the Navy Lacrosse team and head wrestling coach at the same school. Under his tutelage Navy has not lost a meet in either sport for the last fifteen years.

Bob Broussard is Secretary of Navy where he is instrumental in keeping our Navy at the top. Dave Duffey is head of the largest chain of ladies wearing apparel in the world with shops in thirty-five countries. Ken Day is a professional wrestling promoter on the side and spends his leisure time running his thoroughbred breeding farms in Catlett, Va.

Sterling Edmunds is now Governor of Virginia. Harold Folk has been head football coach at the University of Delaware. The Eighth Pin-Up Queen of the A.M.A. Cadet Corps

MISS BETTY TODD EBERHART

The Augusta Pin-Up Queen Dance, one of the highlights of the social season, was held in the Memorial Gymnasium on Friday evening, May 11. This was the eighth annual dance in honor of the Augusta Girl.

The Princess for the Augusta Girl For 1951

MISS EVE HARGRAVE

MISS BETH POTEET

Miss Betty Todd Eberhart, Staunton, Va., and Mary Baldwin College, was chosen as the Augusta Girl for 1951. Miss Eberhart was escorted by Cadet Bill Parnell of Mayport, Florida.

The Pin-Up Queen Committee presided over by Col. Charles S. Roller, Jr., Principal of Augusta, chose as first princess Miss Eve Hargrave of Lexington, N. C. and Lexington (N. C.) High School.

Cadet Earl Crave sponsored Miss Hargrave. Miss Beth Potett was chosen as second princess and was sponsored by Cadet Buddy Harwood.

Inaugurated by the Bayonet Staff and the Cotillion Club of 1943-44, the affair has gained in competition and popularity each year. The Queen and Her Court were honored by a dance with the Queen being crowned by Col. Charles S. Roller in a very impressive ceremony. They were honored later by a special movie and a hay-ride. Finally the regal group received a parade given in their honor by the entire corps of cadets passing in review.

Music for the Coronation Ball was furnished by Joe Gleese and His Orchestra and attended by girls from all surrounding towns and schools and from many states and foreign countries.

ADVERTISEMENTS

The business part of the Annual would fall far short without the many loyal advertisers which always support and back up the **RECALL**.

To the advertisers who owe more than thanks, in fact, without their cooperation more than one third of our total revenue would be missing.

Consequently, the editors sincerely trust that each individual will give the following pages careful consideration. We hope that each cadet, each patron and all A. M. A. supporters will extensively patronize the advertisers who so willingly made the publishing of this book possible.

—The Editors.

• ROANOKE, VIRGINIA

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!

When the last of our drills are over,
 And the band plays Auld Lang Syne;
 When the old boys leave us forever;
 And the teachers are gone from our mind;
 When the young lads are gone for the summer
 And the barracks are deserted and dead;
 A feeling of sadness comes o'er us
 And we know we cannot be glad.

'Tis hard to lose school chums forever,
 And friends that are dearer than life;
 Like a big family disbanding
 As they enter life's long hard strife.
 We shall think of schools teachers and boys;
 Of each with a smile and a tear
 And hope for a happy reunion
 Some time in the future that's near.

We'll miss the old school in the country,
 And friends who were always true blue,
 We'll think of our good times together,
 And also the burdens we drew.
 We'll be glad when September comes
 With Football and the autumn winds;
 But we'll miss the graduates a lot—
 The boys whom we've left behind.

WGC-JR
